All,

Due to availability, the field reconnaissance is going to be rescheduled. We are looking at a date next week. I have included the location and time information below. I will let everyone know once a date is confirmed.

We will be meeting at the Ivy St CSO location at the intersection of King St and Schuyler Ave in Kearny, NJ at 8 am (date to be confirmed). After completion of work at the location we will move to the Clay St CSO location at the intersection of Clay St and McCarter Highway in Newark, NJ (manholes are located in front of New Star Auto Group located at 1239 McCarter Highway). We can coordinate the time work will start at the Clay St location once on-site.

Please bring standard PPE: steel-toed boots, safety glasses and a traffic vest.

If you have any questions you can reach me at the numbers below.

Thanks,
